Also, we can supply Saintpaulias, our selection at \$35.00 per 100 - 2½" or \$50.00 per 100 - 2½" (more of the better varieties.) These pack 25 or 40 per carton.

4" plastic our selection \$1.00 and \$1.25 each, pack 16 per carton. 5" plastic our selection \$2.00 each, pack 9 per carton.

These plants are all in bud or bloom, ready for resale. If you are ordering the 2½" by variety, please let us know if it must be in bloom - or if you want it even not in bud. Give us several substitutes or we will return your order if we are short. Please note: Wild Species, Episcias and other Gesneriads are listed separately.

We ship collect by Railway Express, Air Freight or Bus. Protective signature at your request and expense. For winter weather we use a double carton with a 2" lining of straw.

This list cancels all previous lists and catalogues, as to prices and conditions of sale. This list runs to May 15, 1962.

DAMAGE: Cold damage sometimes takes several days to show up. At that time the plants will seem to wilt and probably turn black. Quite often cold damaged plants will seem to have been scorched or burned with hot water or spray material. Under some conditions there is quite often a strong chemical odor.

IN CASE OF DAMAGE: Call carrier agent immediately and have them fill out joint inspection report, which is used for filing your claim. This claim should be filed by you with your carrier agent promptly. The shipment is at your risk. We will take all means possible to protect it. Once it is signed for by transporting company we disclaim any responsibility.

LOCATION: We are on McHenry Ave., just two blocks from Harrison Ave. (about 2450 block). Harrison Ave. is U.S. 52 West. We are in the suburb of Westwood, about five miles from downtown Cincinnati.

Greenhouse Hours: Monday thru Friday-8 to 5, Saturday 8 to 12 noon.

Credit extended to established customers only.

Accounts over 30 days will draw interest at 6% per annum.
